

## Men are in a BattleZONE

The BattleZONE Training Course (BZTC) gives men Biblical tools, temptation specific training and teammates to fight the good fight of faith. This course is packaged in a way that equips men for courageous faith, giving them hands-on methods for effective discipleship and foundational Biblical principles grounded in basic theology.

## BattleZONE Creates a Culture of Cyclical Discipleship

Discipleship is a vital process in any Church. Many men have a fuzzy understanding of what a disciple is, how to become one and even more critically, how to GO and make one. The BZTC is designed to give men a track to run on so they experience the process which enables them to reproduce Christlikeness in others. Christ Centered Discipleship training produces Christ Centered Disciples.

Men are in a war and the BattleZONE Training Course provides the tactical spiritual training to assure victory in the trenches of temptation.

**Miles McPherson – former NFL DB; Pastor,

President, Miles Ahead**

*"BattleZONE Show Me How To video series is a terrific thing for guys. Guys like to be shown how to do things. These videos are guy to guy showing you how to live out the Christian life. It's a great idea, why didn't I think of it?"*

**David Murrow – Best Selling Author of  
Why Men Hate Going to Church,  
Founder/President of Church for Men**

*"I wholeheartedly endorse BattleZONE Ministries resources to help train men to be "doers of the Word, and not hearers only". This is one of the best investments you can make in the growth of Christian men now and in the future."*

**David B. Wardell, Ph.D  
Co-Founder of Promise Keepers**

## What are Pastors saying about the BattleZONE Training Course?

*"This is one of the best resources I have found that completely trains men, from the new Christian to the seasoned Christian. Michael Pouliot has tapped into the heart of God to produce a resource for Kingdom that is second to none. I highly recommend BattleZONE to any leader or pastor who wants to see their men changed. Pastors will love the fact that this material is very balanced. It focuses on increasing men and lifting up our Savior Jesus. Pastors can release their men into the BattleZONE without them becoming weird."*

**Bishop Larry Jackson, President, Frontliners  
Men's Ministries and Founding Pastor,  
Bethel International Outreach Church,  
Charlotte, NC and Promise Keepers  
Platform Speaker**

*"Finally a discipleship course that equips our men to walk in daily victory, restores them to their place of authority, and teaches them to reproduce themselves in the lives of other men. What's more amazing is that it is accomplished without taxing the churches pastoral staff or draining church resources. It is Market Place ministry in its purest form!!!"*

**Pastor Rene M. Charest,  
Director of Men's Ministries,  
Valley Christian Center of Fresno California**

*"Sometimes one finds a program that is easy to use and pass on but the material is weak. Other times it is great material but so complicated that passing it on becomes tedious and fails. BattleZONE is the best of both. The material can easily be handed off to a trained man who will be able to train others. It is the best discipleship tool I have used in 25 years of pastoral experience."*
